OBJECTIVE

Results-driven E-commerce and Marketplace professional with 4+ years of experience in e-commerce operations, marketplace management, business development, digital marketing, and B2B platforms. Proven track record supporting businesses that generated over **6M USD** in sales, with hands-on experience across fashion, retail, and printing industries. Experienced in marketplace growth, vendor acquisition, business development, e-commerce strategy, website management, SEO, performance marketing, customer experience, and cross-functional project management. Strong ability to identify growth opportunities, build partnerships, optimize digital operations, and drive revenue through data-driven strategies.

WORK EXPERIENCE

- **B2B marketplace lead & & Business Development Manager at Souqpress** (Sep 24-present).

  - Lead marketplace growth, vendor acquisition, onboarding, and business development for a B2B e-commerce platform serving the printing industry.
  - Develop and execute strategies for supplier acquisition, customer growth, partnerships, and revenue generation.
  - Lead and manage a team of **5+ professionals** across marketplace, sales, and business development activities.
  - Drive business growth and revenue, contributing approximately $ **2 M**.
  - Manage relationships with suppliers, manufacturers, traders, and B2B customers.
  - Identify and develop new business, partnership, and commercial opportunities.
  - Develop marketplace strategies based on market research, SWOT analysis, competitor analysis, and customer needs.
  - Lead vendor onboarding, negotiations, commercial discussions, and platform compliance.
  - Collaborate with technology, marketing, sales, logistics, finance, and customer service teams to improve platform performance and customer experience.
  - Monitor marketplace KPIs including GMV, conversion rate, customer acquisition, customer retention, and acquisition costs.
  - Oversee platform technology integration, navigation, merchandising, on-site marketing, and user experience.
  - Lead digital growth initiatives across SEO/SEM, social media, PPC, and email marketing.
  - Analyze market trends, competitor offerings, and industry opportunities to identify new growth areas.
  - Manage budgets, revenue forecasts, profitability tracking, and marketplace growth initiatives.

- **E-commerce Manager at Mix and Match** (Mar 24 - Dec 24).
  - Managed daily e-commerce operations including sales, order fulfillment, returns, exchanges, and refunds.
  - Coordinated with internal teams and external partners to maintain an efficient customer experience.
  - Managed product data organization, product entry, and catalog updates.

-Prepared performance reports and operational documents for the e-commerce channel.
-Coordinated with third-party marketplaces for product listings and order fulfillment.
-Worked with development teams and digital agencies on new features, website improvements, and issue resolution.
-Managed customer complaints and requests in coordination with the moderation team.
